Council writes to Health Dept. over filth complaints

Altona Council is seeking action from the Victorian Health Department in order to deal with the growing number of pollution complaints by ratepayers.

Following a report on environment improvement by Cr. Doug Grant last week, Council agreed to:

- Ask the Victorian Health Department what action had been taken against an Altona West factory which caused pollution last November.
- Ask the Department what action it contemplates in relation to current pollution problems in Altona West.
- Send a list of ratepayers' complaints to the Department.
- Invite representatives of the Health Department to attend a meeting of council.
- Write to the Department again, inquiring what action is being taken against the firm responsible for recent pollution of Kororoit Creek.

The five points were framed in a motion by Cr. Les Crofts. Cr. Croft commented: "It's high time the Health Department acted on our behalf to show these companies that we mean business, otherwise we are wasting our time and the ratepayers' money."

In his portfolio report to council, Cr. Doug Grant said that recently his telephone had not stopped ringing with pollution complaints from ratepayers.

With a style like that, he should be Irish himself

Altona's "Champagne" Town Clerk, Mr. Jim Waters, surprised everyone recently when he resigned to take up the position of Town Clerk at Moorabbin.

But, with a fortnight still to go before he leaves us, he remains full of surprises.

After the council meeting on Tuesday last week, he laid on the champagne again for the occasion of the 19th wedding anniversary of the Mayor and Mayoress, Cr. and Mrs. Pat Lynch.

But that was only the start . . .

In usual Waters style, he presented a number of "goodies" to the Irish-born couple.

There was a special anniversary cake, beautifully iced in "green," and two small bottles of wine.

The wine was in — you've guessed it — "green" bottles, and that was exactly what those present were asked to sing — "Ten Green Bottles."

The final presentation was two packets of Lollygobble Blissbombs to the tune of "For They Are Jolly Good Fellows."

But the tables will be turned on Mr. Waters on Monday, May 29, when a special council meeting is held for the purpose of farewelling Altona's "Bubply" Town Clerk and wife Mrs. Waters.

They're biting in Cherry Lake....

Are you sick of spending hours sitting on the end of Altona Pier waiting for a fish . . . any fish . . . to bite?

If so, why not try a change of scenery and go freshwater fishing in Cherry Lake.

The lake has been alive with redfin since last Wednesday.

The redfin — 1000 of them, up to five inches long — were put in the lake by the Fisheries and Wildlife Department.

And the department officers were greeted by a welcoming party of young anglers when they arrived last week.

The enthusiastic anglers were waiting to have their first try at inland fishing in Altona with the redfin, which were netted at Lake Burrumbeet.

Altona Council recently requested that Cherry Lake be stocked with fish following a petition by ratepayers.

Now the young "Huckleberry Finns" of the area are really enjoying their school holidays.

But parents be warned: People over 16 require an inland fishing licence to fish from the Lake.

● *In the top picture, Altona councillors Pat Burns (left) and Harry Weaver stand beside the lake with one of its new inhabitants. In the lower picture, pretty young Altona accounting machinist Denise Coulthard hands in a net-full of redfin. Watching are some local children who have been making full advantage of the lake's new bounty during their school holidays. The fish were released into the lake by the council following a request by local ratepayers.*

Little athletics is so good for character

BILL ROSS, of "Natural Thing," has his say

During his recent visit to Australia, famous American track coach, Bud Winter, said that Little Athletics was the greatest thing that had happened in the world of sport during recent years.

Undoubtedly he was right. In only a few short years, the movement, started by an enthusiastic Geelong schoolteacher, has grown into a massive concern.

Its success has been amazing in that so far there has been little external finance. The whole thing has developed in an organic way, from the interest of parents and the enthusiasm of youngsters.

In Altona, as elsewhere, meetings are conducted on Saturday mornings. These are held with all the formality of adult competition.

This is good because it makes the youngsters feel that they are part of something really important. Athletics at any level is a tremendously demanding sport.

Therefore, it develops in children self discipline, a capacity for work, and the ability to co-operate and communicate with others.

At this age, just the joy that comes from self improvement and being able to participate is reason enough for many youngsters to compete regularly, even though they might be unable to gain a first placing.

To provide for this need of giving every child a go, the movement has introduced cross-country running during the winter. This is great fun for everybody concerned, and even parents have been sighted splashing through creeks and scrambling over farm fences.

Wonderful news for Little Athletics' enthusiasts *in Altona has been the council's decision to develop* a top class venue for meeting. This generous gesture by the city towards its future citizens shows great foresight.

Few cities would go to such expense.

Finally, congratulations are due to Stephen Smith, who won two events at the Victorian championships. Stephen's hard training and natural ability have made him a star since he began as an "under-niner".

Let us hope that our centre can produce more "Stephens" and many more well-adjusted young people. I'm sure it will.

Ecology is an issue, A.L.P. is told

Mrs. Margaret Graham, of the Labor Party's Environment policy Committee, told Altona A.L.P. Branch recently that the present State Government had created a political issue around conservation by selective choice of advisers and interests.

Explaining this point, Mrs. Graham illustrated how certain companies who are causing pollution, *have — with Government* approval — been allowed to publicise their outlook while conservationists' protests are suppressed.

Calling for stronger policies to ensure that Melbourne will not suffer the fate of cities like Los Angeles or Tokyo, Mrs. Graham said "the A.L.P. needs every assistance to establish the real needs of people living in the ever-growing cities, who must be able to live in a healthy environment.

"Even with Labor in opposition, spokesmen for the party can speak with authority if they have sound policies to express," she said.

TOUR TO GOLD COAST

A group of church youth leaders has organised a 21-day bus trip to the Gold Coast for local boys.

The bus leaves Melbourne on December 26. Boys aged over 12 may apply for the tour, which will be led by experienced C.E.B.S. leaders.

The itinerary includes visits to the Jenolan Caves, Sydney (and King's Cross), Newcastle, Port Macquarie (and a banana plantation), and Surfers' Paradise, where the boys will stay a week with water skiing, boom net rides and visits to the auto museum, the porpoise pool and the chairlift.

The group will travel back from Sydney via the Snowy Mountains to Melbourne.

The tour will cost $120. Those interested should write to the tour organiser, 11 View Street, Belmont, Victoria.

New bank for Altona

The Commercial Banking Company of Sydney Ltd., has gained permission from Altona Council to build a branch bank on the west side of *Borrack Square*, Altona North.

Commencing 129 feet south of Duke Street, the building, to go on lots 117 and 118, will have a combined frontage of 37 feet and a depth of 70 feet.

Ball tickets available

Tickets are still available for the Altona District Hospital Ball, which will be held at the Fiesta Ballroom, Footscray, on Friday, June 16.

Selling at $16 a double, the tickets entitle the purchasers to a three course meal with all liquor supplied.

Tickets can be obtained by contacting Mrs. Lorna Weaver, 398 2693, or Mrs. Colleen McGraw, 398 1956.

Val's Column

Hello Girls,

If you haven't been able to find that suitable make-up — or are just plain tired of the one you are now using — Here it is! What a wonderful *idea! Touch and Glow Cream make-up in a com*pact. It is a new addition to the Revlon collection. An entirely new form and category in a foundation with cake of rich cream in a slim, easily carried compact with mirror.

Offering more coverage than Touch and Glow liquid, yet slightly less than Cream Souffle. Six of *the most suitable colors to choose from. Yes! Suit*able for any skin type — so no worries if you have oily, or you have dry — or a young normal skin.

Touch and Glow Cream feels great it is so weightless on your face, it gives a natural baby-smooth satiny finish that covers to perfection *without settling in facial lines or pores. It covers* completely but is seemingly invisible. Can blend out blemishes, ideal for skin flaws. Not masky or over-matte.

It serves as its own touch-up — without build-up. Coming now as it has it is perfectly timed to secretly blend out that fading suntan without emphasis.

Come and apply the tester to account for yourself — it is a perfect make-up for you.

Skin feeling a little tired, dry, afraid to take a long close look in the mirror? This is how our Australian summer may have left you feeling; has it?

Here is your best chance to change to Eterna 27 Cream. Yes it is in the little more expensive range — but what isn't if it has more refined clinically tested ingredients to replace our facial moisture or oil loss. Then you see you can see and feel the benefit after only a few weeks use. Won't it be good to feel your better self again?

This medium textured cream *furmulated with* progenitin emollients, humectants and moisturisers, visibly reduces signs of ageing skin (not you? Take another close look around your eyes and mouth, girls). It corrects dehydration and loss of elasticity.

There is a special introductory offer size jar in our store at your purse price — just for you to have a chance to use that "better priced" cream.

Bye.

$25 FINE FOR SHOPLIFTER

Detectives went to a house in Altona North after receiving reports of shoplifting at two Footscray stores on May 4, Footscray Court was told last Thursday.

At the house, in Blackshaws Road, they were given goods stolen from both stores, Mr. G. Miller, SM, was told.

Maria Tannic, 46, process worker, of Blackshaws Road, Altona North, pleaded guilty to a charge of having stolen goods worth $11.30 from McEwens store in Barkly Street, Footscray.

She pleaded not guilty to a charge of having stolen sun glasses worth 50 cents from Coles Store, in Nicholson Street, Footscray, but offered no defence.

Mr. Miller convicted her of both charges and fined her $25.

Senior Detective E. Walsh, of Footscray CIB, told the court he and other detectives went to Tannic's house on the afternoon of May 4.

They had earlier received reports from security officers at both McEwens and Coles.

The door was opened by a young child with long blonde hair and the defendant followed her.

She said the child was her grand-daughter.

At Footscray CIB office, Tannic admitted having stolen a carving set and electrical appliance cord worth a total of $11.30 from McEwans.

She admitted taking the goods from McEwans, and had commented: "I'm sorry."

She agreed with a police submission that she screamed and dropped the bag containing the stolen goods when approached by the security officer at Coles.

She also told police she took the sunglasses from Coles to give to her grand-daughter.

The court was told she had tried the sunglasses on the child before taking them.

Story contest for repat. servicemen

Plans for the ninth 'Repatriation Story Writing Project', for former servicemen in Victoria were announced last week by the Repatriation Minister, Mr. Holten.

Mr. Holten said the project proved a stimulating and challenging form of rehabilitation for former servicemen and women and widows.

Story writing had become a rewarding hobby for many repatriation patients.

Total prize-money amounts to $600 and $150 worth of books donated by Mr. Charles Dickens, a Melbourne bookseller.

There are three sections in the project:

- True experiences;
- Fiction;
- Essays, poetry and plays.

Those eligible to enter are former servicemen or women and war widows undergoing treatment; repatriation patients; former servicemen or women and war widows attending voluntary work groups; TPI and intermediate war rate pensioners; 1914-18 war nurses and servicemen suffering from tuberculosis.

The Deputy of Repatriation, Victorian Branch, 169 Kings Way, South Melbourne, will answer any inquiries.

FLAG WAS A PRIVATE GIFT

Altona Council has been inundated with requests from schools for Australian flags, since mayor Cr. Pat Lynch presented a flag to St. Leo The Great primary school recently.

Cr. Lynch pointed out to the recent meeting of council that he had purchased the flag for the school "out of his own pocket," because the school was in his parish. He was commenting on reports of requests from students at Brooklyn West Primary School and *Paisley High School.*

The requests were made to Cr. Charlie Carlsson at the recent Altona junior council meeting.

After discussing the matter, councillors agreed to advise the students that they should refer their schools' requests to the Australian Natives' Association.

85 awards to local lifesavers in exams

Last month, members of Altona Lifesaving Club took 85 lifesaving awards in examinations held at the Melbourne City Baths and at Altona beach.

The weather was cold during the day at Altona and members were glad to complete their examinations.

The club's annual picnic will be held at Warburton this year, on Sunday, May 28.

Buses will leave from outside the clubrooms at *8.30 a.m. sharp.*

At Warburton, members will be able to participate in the usual sports and there will be a barbecue. All members are advised to obtain tickets from Mrs. J. Pilbeam, Mr. R. Edwards and Mr. C. Barnes.

Members wishing to bring a friend along for the day, must obtain their tickets before Sunday, May 21. Cost per ticket is $3.

The club presentation night will be held on June 3, when all parents will be welcome. Commencing at 8 p.m., the function will include a buffet supper, for which the cost per head will be 75 cents for members and $1.50 for non-members.

Results of the club's first special effort will be published in the local newspapers each week after the first effort (tonight), Wednesday, May 17. Donations are being collected by club treasurer, Mr. C. Barnes.

The next executive meeting will be held in the clubrooms on June 1, at 7.30 p.m.

Urgent need for trained scouters

An urgent need exists in the western suburbs and Werribee area for trained Scout leaders.

The need was stressed yesterday by Mr. Ken Bayley, Hoadley Scout Area representative to the Gellibrand District Association.

The shortage was causing grave concern in all areas of scouting, Mr. Bayley said.

Waiting lists of boys waiting to become scouts were growing continually, yet parents were loath to come forward as leaders to relieve the already overtaxed leaders.

In addition, volunteers would then be increasing the strength of leaders to some groups.

In some cases they would provide the only leader for groups which at present had none, Mr. Bayley said.

Many groups were operating with no leaders, or, in many cases, with below the minimum required leader strength.

This could affect the type of scouting knowledge the boy could obtain.

The Hoadley Area covered the cities of Footscray, Williamstown and Altona and the centres of Laverton, Werribee and Hoppers Crossing, Mr. Bayley said.

Combined church service

Altona Council of Churches will hold a combined service on Sunday, May 21, at 3 p.m.

The service will be held at St. Leo's Catholic Church, Mason Street, North Altona.

It will coincide with the conclusion of Christian Unity Week.

The theme of the service will be Christian responsibility. The preacher will be the Rev. Athol Ridgway, of Altona Presbyterian Church.

Seminar on adult care

A seminar on adult care in our community will be held in the Altona Methodist hall, Sieves Street, Altona, on Friday, July 21, at 8 p.m.

Speakers at the seminar will include Dr. John Leyden, health officer; Mr. Peddlesden, director of Victorian Council for the Aging; Mrs. Rosemary Dargaville, BA; work, research social worker; Mr. Neville Brook, associate director of geriatrics, Brotherhood of St. Laurence.

The seminar is being organised by the Altona Methodist's ladies' guild.

Eye posters for safety

Petroleum Refineries of Australia has held a safety poster competition for children of its employes.

PRA has a committee which promotes a particular aspect of safety within the firm each month.

Last month's safety facet was eyes and eye protection.

The company ran the competition over a four-week period and received 80 entries.

Cash prizes were given to weekly winners in the four sections under 10, 10 to 12, 13-14 and 15 to 18.

Personnel Officer Mr. Frank De La Rue told the STAR that winners had been chosen on the safety angle rather than quality of work.

However, both aspects had been taken into consideration.

Judges were: Mr. Cliff Willis of the National Safety Council, Mr. Ivan Rowley, artist with the Age, Miss Marie Connor, Altona North High art co-ordinator and Mr. Tristram Storey, director of Art of ANHS.

School principal, Mr. Roy Roberts also attended.

The winners of the competition were:

Under 10: 1st, Andrea Stuart, Werribee; runner-up, Linda McGregor, Highett. 10-12, Jackie Klampel, Queen Street, Altona. runner-up Sylvia Weiss, Kingsville. 13-14 years: Jane Mannell, Altona, runner-up Michael Poelwyk, Altona. 15-16: Angelika Wiss, Kingsville, runner-up Martin Houston, Altona. Cash prizes for the competition totalled $230.

Three of the Judges at PRA's safety poster competition are, from the left Mr. Cliff Willis, of the National Safety Council, Miss Marie Connor, art co-ordinator and Mr. Tristram Storey, director of art at Altona North High School.

A GUIDE TO LEISURE

By PETER VAUGHAN

In today's depressing world one cannot escape from realities even for a short time.

This, in fact, also applies to the cinema, for films nowadays thrive on a realism which has no parallel in cinematic history.

It is very interesting to compare films made between 1930 and 1960 with those made since.

In a period which saw a major depression, World War II, the atom bomb, Korea, the Suez crisis, the Cold War and many other happy days, most films were basically orientated towards light, escapist entertainment.

It therefore seems as if the screen image of life in those days was the actual opposite of what was for most people a pretty grim reality.

Yet people got what they wanted for even in the Depression cinemas were full because people desired escapism more than physical necessities.

However, since the 1960s the cinema has undergone a drastic change in philosophy even though the world is still deeply troubled for now films tend to be more "real" than reality itself.

It is as if the filmgoer has become masochistic because many films are painful experiences which serve not to relax and entertain but to provoke and disturb.

Whether or not this realistic trend is for the better or worse is largely a personal value judgment but the trend is undeniable and it is increasing.

To see how far we have come in the past 40 years try to imagine the 1971 production of The Devils (R, currently at Australia One, 270 Collins St.), as it would have been made in 1952.

You can't, can you, because even though the book on which the film is based was written in 1952 no such topic would have even been presented then in any form whatsoever.

And yet it is the form of director Ken Russell's film which outstrips even the controversial topic, dealing as it does with the trial in 1634 of a priest accused of sorcery due to a whole convent of French nuns being allegedly possessed by devils.

That such events actually occurred seems to have given Russell an excuse to over-exaggerate to the point of grotesqueness so that the viewer is battered with such images of torture and degradation as to create an intense revulsion which destroys the purpose of the film.

By the indiscriminate use of "over-realism" the horrors become so abstract they are dream-like and so realism becomes the father of escapism.

MOTORING SECTION

by PAUL CODY

YES... YOU'RE SEEING RIGHT!

A unique Holden sedan with the dimensions of a Cadillac and the carrying capacity of a small bus has been created by one of Melbourne's major GMH dealers.

Garry and Warren Smith, of Oakleigh, have designed and built the nine-seater, six-door Holden limousine to cater for people needing extra seating capacity in a vehicle without sacrificing comfort.

Based on the popular HQ Kingswood four-door sedan, the limousine is 32½ inches longer and weighs five hundredweight more.

Its wheelbase, at 144 inches, is identical to that of the current $30,000 Cadillac limousine model, yet it costs less than a fifth of the price.

The Holden "HQ-L" — believed to be the first nine seater passenger car built in Australia — is the brainchild of Mr. Warren Smith, managing director of Garry and Warren Smith.

The idea came from a business trip to America several years ago when he saw similar vehicles based on production cars used as taxis, airport, hotel and VIP transport, company cars and as mourning coaches.

In one case he saw the theme taken to an extreme where a front wheel drive Oldsmobile was converted into a 10-door, 30 seater car-bus.

Work on the Melbourne limousine began in the latter part of last year.

The "stretching" of the Kingswood involves cutting a brand new car in half just rear of the centre door pillars.

A new roof, floor pan, chassis rails and sill panels — stock GM-H parts — are then grafted on and the two body halves re-joined.

Typifying the great attention to detail in the conversion, the two centre doors are actually made from parts of four brand new doors, to achieve the right body profile.

The only mechanical changes necessary are the fitting of a longer, balanced tailshaft, and the extension of wiring, brake and fuel lines.

The basic limousine conversion is based on a 253 cubic inch V8-engined Kingswood fitted with power steering and Dunlop Aquajet tyres on wide factory-option rims.

The basic price of the four-door vehicle, including tax, is $3702. Stamp duty, third

Maltese international for 'Cross

State League leader George Cross is awaiting the clearance of a full-back who represented his native Malta seven times and who last year played in the European Cup against Manchester City.

The player is 22-year-old **Francis Mifsud,** of Maltese First Division team Hibernian.

George Cross spokesman **Joe Bartolo** said this week Mifsud had represented Malta seven times, playing against teams like Arsenal, Real Madrid and the Russian national B team.

Bartolo said Mifsud came to Australia as a migrant and simply turned up one day at a George Cross training session.

Bartolo said the club had applied to Hibernian for a transfer.

However, it is unlikely the transfer will arrive before Saturday, when the Cross meets Polonia at Schintler Reserve, Footscray.

But even without him, George Cross should easily dispose of Polonia, despite the Maribyrnong team's impressive third place on the ladder.

George Cross will be out to prove that its poor showing in the abandoned match against J.U.S.T. two weeks ago was only a temporary lapse.

The Cross is one of the few teams in Melbourne that can attack successfully from midfield — mainly due to the brilliance of **Kevin Walker** and **John Gardiner.**

This makes it difficult for opposing defences, which mark the strikers only to see the linkmen break through.

And the strikers aren't easy pickings, either. **Tom Clarke** and **Dario Epifano** have scored 11 goals between them and they're likely to prove too tricky for Polonia's defence.

By LAURIE SCHWAB

Croatia v. Austria

Keilor Austria will line up for its match at Olympic Park on Saturday elated after its 5-2 win over Juventus, while Croatia is still smarting from its 1-2 loss to Hakoah.

Although Croatia will be tougher opposition for Austria, hat-trick hero **Barry Webb** and his brother **John** have the ability to score the goals that could give Keilor an upset victory.

It will be a tall order, however, as Croatia's stars **Jimmy Mackay** and **Billy Vojtek** showed great form in Victoria's match against Dundee last Sunday.

This international duo will tonight (Wednesday) take the field again in Adelaide for Australia's match against Dundee.

And after two outings against top-class opposition, they should be in peak form for their club match.

It's a well-known fact that Croatia is unbeatable when Vojtek and Mackay are at their best, and I reckon they will be on Saturday.

Wilhel. v. JUST

The Wilhelmina v. J.U.S.T. match on Sunday will be no contest, with J.U.S.T. winning easily.

Branko Buljevic showed great form for Victoria against Dundee last Sunday.

Buljevic, in fact, had his best match of the season. He worked tirelessly and was the only forward who was dangerous for 90 minutes.

Victoria's two goals came from Buljevic and **Steve Rujevic.**

If they can score against the powerful Dundee defence, they can certainly score against Wilhelmina.

And on Saturday they'll have the suport of **Slobodan Zoraja,** top league scorer of 1971.

Other weekend matches, with likely winners in capitals:

Saturday: Box Hill v. Juventus (draw).

Sunday: Melbourne v. HELLAS, Alexander v. HAKOAH.

State League ladder:

Geo Cr.	6	1	0	23	10	13
Hak.	6	1	1	18	13	13
Pol.	4	2	2	18	13	10
Hellas	4	1	3	17	12	9
Croat	3	2	2	16	12	8
Melb.	2	4	2	4	4	6
JUST.	3	0	3	9	9	6
Aust.	2	2	4	16	18	6
Alex.	2	2	4	6	11	6
Juv.	1	3	4	12	17	5
Wilh.	1	2	5	9	19	4
B. Hill	1	2	5	8	18	4

And on Saturday they'll have the support of **Slobodan Zoraja,** top league scorer of 1971.

German stars

This season's top goal scorer in West Germany wants to come to Australia.

The player is **Wolfgang John,** 26, who scored 39 goals for Berlin regional league team Blau-Weiss during the season just completed.

The tally is higher than that of World cup star **Gerd Mueller** who with 36 goals is the top scorer in the Bundesliga (national league).

But Mueller still has a chance of catching up, as there are three Bundesliga matches left to play.

John, who played for Bundesliga club Cologne and the East German national team before joining blau-Weiss, is likely to sign up with Keilor Austria.

If he does Austria will have probably the best-striking force in the league.

Negotiations with John were made by St. Albans businessman **Mr. Fritz Schwab,** who returned on Monday from a trip to Germany.

Mr. Schwab said six other players from the Berlin regional league were eager to come to Australia.

They are:

Reinhard Groeger, 24, centre back of Hertha 03. Also played for Hertha BSC in the German national league in 1968 and 1971. Visited Australia twice during tours by Hertha 03 and played for the berlin representative team nine times.

John Hey, 27, linkman of Wacker 04. Scored 17 goals this season and has represented Berlin 11 times since 1969.

Karl-Heinz Kluth, 22, goalkeeper of Tennis Borussia.

August Koehler, 23, Goalkeeper of Tennis Borussia, played for the Berlin amateur XI 12 times.

Horst Ehmke, 22, striker of TUS Wannsee.

Wanting to make a return to Australia is **Hans Dresp,** who played with Austria and had a short stint with Melbourne a few years ago.

Dresp, 27, a striker or linkman, plays for top amateur team SC Staakan, which is tipped for promotion to the regional leagues.

Germany's regional leagues are the competitions directly below the national league and they are split up geographically.

The top two teams from the various regions play a tournament at the end of the season and the top two are promoted to the national league.

Dundee v. Vic.

Footscray J.U.S.T. strikers Branko Buljevic and Steve Rjevic almost gave Victoria a draw with touring Scottish team Dundee last Sunday.

With Dundee leading 2-0, Rujevic and Buljevic each scored within two minutes to equalise.

However, a defensive lapse by Victoria allowed Dundee captain **Doug Houston** to head the Scots back into the lead and this broke Victoria's spirit.

In the last minute of play substitute **John Duncan** scored another to make the final score 4-2.

Dundee, which had beaten an Auckland XI 7-0 in New Zealand the previous day, started slowly and was put under pressure by the aggressive forward play of Buljevic, rujevic and **Billy Vojtek** and intelligent midfield work by **Jimmy Mackay.**

However, about midway through the first half, Dundee livened up and with goals by **Duncan Lamble** in the 29th minute and **Gordon Wallace** in the 39th, looked like coasting to a big win.

But travel weariness showed in the second half and Dundee slowed down considerably.

Jimmy Mackay was Victoria's star, working without support against an outstanding link duo of Houston and **Jocky Scott.**

Buljevic was the only Victorian forward dangerous for the whole game and Rujevic did his usual bullocking work in the centre of the firing line.

Vojtek, after an impressive start during which he had four good long-range shots, faded away until after half time. Once coach **Bill Walsh** moved him from the left to the centre, he began to sparkle and set up the second goal for Buljevic.

Victoria's defence was only average. However, goalkeeper **Jack Reilly** gave a competent display and prevented two certain goals in the first half.

Linkman **Ian Marshall** never got into the game and defender Alistair Scott was too slow.

Scorers. Dundee: Lambie 29th, Wallace 39th, Houston 77th Duncan 89th.

Victoria: Rujevic 59th, Buljevic 60th.

Best players, Dundee: Houston, J. Scott, Johnston.

Victoria: Mackay, Buljevic, Vojtek.

Teams:

Victoria: Reilly; Pye, Rosca; Juhasz, Lopatic; Scott (Bourne 70th), Marshall, Mackay; Rujevic (Zoraja 75th), Vojtek, Buljevic.

Dundee: Allan; Wilson, Stewart, Phillip, Johnston; Houston, J. Scott; Wilson, I. Scott (Gray 60th), Wallace, Lambie (Duncan 75th).

Slavia safe

Slavia, which has held leadership of First Division for the past two weeks should remain at the top by beating lowly Lions on Saturday.

Coached by former Polonia great **Vic Janczyk** and with brilliant goalkeeper **Mike O'Hara** between the sticks, Slavia's only challengers for the title seem to be by Keilor City and Sunshine City.

St. Albans-based Ajax also has a chance. It currently holds third position, one point behind Slavia, and should beat Mooroolbark on Saturday.

In Second Division, leader Western Suburbs should hold its place by beating Heidelberg.

The best match should be the one between St. Albans (second) and Albion Rovers (third) at Churchill Reserve, St. Albans, with the Saints to win.

Fixtures; with likely winners in capitals.,

First Division; Springvale v. KEILOR; SUNSHINE v. Dandenong; Ringwood v. YALLOURN; Lions v. SLAVIA; ALTONA v. Frankston; Mooroolbark v. AJAX.

Second Division: CORIO v. Moreland; WESTERN SUBURBS v. Heidelberg; MAKEDONIA v. Richmond; Prahran v. HERCULES; Coburg v. WAVERLEY; ST. ALBANS v. Albion Rovers.

Third Division: NEWPORT v. Chelsea.

Keilor v. Sunshine

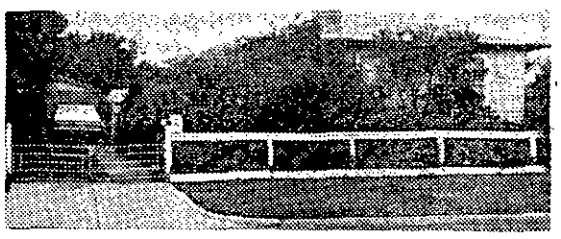

Showing determination and enthusiasm rarely seen in State League, First Division rivals Keilor and Sunshine battled out an exciting scoreless draw at Churchill Reserve, St. Albans last Saturday.

Most impressive players were Sunshine's right winger **Padmore,** a tough, fast, aggressive striker; **Herbie Seenan,** Sunshine's indestructable centre half, **Bogden Kupicz,** Keilor's no-nonsense, accurate half back, giant **Henry Caban,** a strong, cultured full back, and Keilor's centre-half **George Jasinski.**

ANOTHER ART SHOW IS PLANNED

Women of Werribee Beta Sigma Phi are planning a four-day art show in the capacious Centenary Hall.

This follows the success of their first art show last year.

That exhibition raised $400 for Werribee Elderly Citizens' Club, besides adding to the cultural life of Werribee.

Beta Sigma Phi has now booked the big hall for four days in September — Saturday, Sunday, Monday and Tuesday, September 16-19.

"Beta Sigma Phi invites artists to start preparing their paintings for the show," an official said last week.

"There will be a competitive section for paintings, as well as the encouragement award for artists under 21 and awards for school students, including the secondary schools at Werribee and Laverton.

"Oils and water color are provided for. Paintings can be sold, with only 15 per cent. retained by the organisers.

Proceeds this year will assist the elderly citizens as well as a Werribee move to establish a mentally retarded children's centre.

The children meet in a hall at present.

Werribee Beta Sigma arranged a Silver Tea last week at the home of Mrs. Norma Lawson on Princes Highway.

CAMERA CLUB NEWS

Coming events on the Williamstown Camera Club Calendar include lectures on the use of studio lights, night photography, and the use of camera accessories for close-up work.

Other activities will include black and white photography, practical nights in applying knowledge, and interclub competition with the SEC camera club.

Several club outings are also planned.

Visitors are always welcome.

Those who wish to know more about the club, or would like to join, are invited to phone Mrs. Wyatt, 397 6027, Mrs. Trist, 399 2403, or Mr. Young, 397 6966.

PENSIONERS

The president of the Williamstown branch of CPA, Mr. Henry, gave a report on the progress made in Parliament regarding the pensioners' lot.

Members wished bon voyage to Mrs. Burnell, who left to visit the north of England.

The annual meeting and election of offices will take place on June 21.

The next meeting will be held in the Youth Centre on May 26 at 2 p.m.

For further details phone 397 6493.

LIONS BACK

Two members of Altona Lions Club were welcomed back to the club last week after some weeks' absence.

They were Mr. Kas Jurga and Mr. Joe Hanykyr, both of Altona North.

Polish-born Mr. Jurga, a former Altona councillor and one of the first migrants from Europe to have served on a western suburbs council, is recuperating from a heart attack he suffered three months ago.

Mr. Hanykyr, who is associated with the business of J. Kinda and Co., in Millers Rd. Altona North, was away on a 10-weeks' visit to his native Czechoslavakia.

The president of the Lions Club, Mr. Alan McDonald, welcomed both back to the club.

The dinner-meeting was in the Tarmac Hotel at Laverton.

Flag was private gift

Altona Council has been inundated with requests from schools for Australian flags, since mayor Cr. Pat Lynch presented a flag to St. Leo The Great primary school recently.

Cr. Lynch pointed out to the recent meeting of council that he had purchased the flag for the school "out of his own pocket" because the school was in his parish. He was commenting on reports of requests from student at Brooklyn West primary school and Paisley high school.

After discussing the matter councillors agreed to advise the students that they should refer their school's requests to the Australian Natives' Association.

New water mains

Approval has been given for replacement of water mains in Millers Road, Altona.

This has been announced by a Board of Works spokesman.

The work would involve laying of 1930 ft. of 6 in. and 4 in. pipe between Civic Parade and Queen Street.

Estimated cost of the work was $16,400, he said. Altona Council would have to pay $7803.

Police buy Altona land

The much-needed Altona North regional Police Station came a step closer to reality last week when the Victoria Police Planning Section advised the Public Works Department Property Office to purchase Lot 88 Cooper Avenue, from Altona Council.

Reporting to council last week, Cr. Harry Weaver said the land, valued at $6500, would permit the proposed station to be even larger than council had envisaged.

"This is excellent news," he said.

LUCKY NUMBER

Lawford's Furniture and Furnishing Company will draw the Lucky Car numbers, on May 31.

Cars displaying the Lawford's Q-plan sticker, which are spotted by the Q-plan man, will have a chance of winning $10 worth of goods from Lawford's.

If prize money is not won, it will jackpot and increase by $10 each month.

There will be four winners each month.

Winning registration numbers will be posted in the window *of Lawford's store* only.

Plastic bags can kill

People often wonder what they should do about the protective plastic bags on dry cleaned clothes.

Should they throw those bags into the trash as soon *as possible*?

They are dangerous to have around the house if you have small children. A small child may put a plastic bag over his head *and smother himself.*

Another interesting problem has developed since the wet look vinyls have become so fashionable.

The dye in the printing on the plastic bag can migrate to any vinyl garment it hangs against in your closet.

It's likely to print off and if it does, it cannot be removed.

● Continued from Page 5

Motoring

party insurance and registration bring this figure to $3860.20, while the conversion — which includes a full vinyl roof covering — adds a further $2050 to bring the total on-the-road price to $5910.20.

Because of the limited production run of these vehicles, personal needs and preferences can be catered for, and Garry and Warren Smith can build a similar vehicle on a Holden Premier or Kingswood base in either sedan or station sedan form with a full choice of GM-H engine and transmission options.

A particular advantage of the conversion is that the vehicle can be registered as a private car.

Facelift for dome

Altona Council will pay $2316 for the resurfacing of the council chamber dome in Civic Parade.

At a recent general purposes committee Cr. Les Crofts moved that council accept the tender of Membranes (Aust.) Pty. Ltd., of Fitzroy and that the firm be requested to provide a matt finish.

Altona's city engineer, Mr. Ralph Simmons, has written to the Board of Works to inquire whether the Board is willing to supply two more groynes for the foreshore in addition to the four groynes built by council recently.

Soccer

Caban prevented a certain goal in the 14th minute, by heading a Padmore shot off the line, with goalkeeper **Zenon Golonski** well beaten.

Two minutes efore full time Herbie Seenan took the ball from the feet of **Kazik Klain** only a few yards from goal.

Keilor had Sunshine pinned in its own half for most of the second term and only hesitancy in front of goal prevented the home team from scoring.

But Keilor showed enough to suggest it is a serious threat for this year's title.

Stars **Kazik Klain** and **Eddy Kupicz were right out of touch last Saturday and when these two fire and combine with left winger John Grady,** no defence will be able to hold them.

VIKINGS STILL IN WINNING RUN

In a spirited bruising game, at Grant Reserve, on Saturday, Altona City continued on their winning way with a resounding victory over Werribee Central.

Combining vigor and team work to great advantage, Altona proved that it is going to take a power of beating.

Much credit should be given to Werribee for the pressure they applied throughout the match, particularly in the first half.

RON SCHWAGE dominated at centre half-forward, pulling down towering marks and bringing his team mates into the game with creative handball.

GEOFF EWEN blasted his way through the packs continually, 100 minutes of tireless football is hard for anybody, but Geoff makes it look easy.

LAURIE EGAN played brilliantly on the wing and even better when moved into the centre. DEREK YORK used his vast knowledge of the game to great advantage, producing his best game to date.

It is pleasing to see Del getting amongst the goals.

STEPHEN CHATFIELD roved intelligently, probing deeply into attack and burrowing into the backs fearlessly. GEOFF HARDHAM played a great game in defence, being well supported by team mates DANNY BRENNAN and VIC PATERAS.

IAN McLEOD continued his great form in the ruck and ALAN WALGERS showed a definite liking for his new role as a ruck rover.

GARY MUNRO played an excellent game at full-forward. An improvement facet of Gary's game is his total unselfishness.

Goals: G. Munro 5, R. Schwabe 4, I. McLeod 3, L. Egan 2, G. Wilson 2, S. Chatfield 2, D. York 1, G. Ewen 1, E. Valenti 1.

Final scores.

ALTONA CITY 21.17 (143)
WERRIBEE CENTRALS 4.3 (27).

SECOND DIVISION

The second division team journeyed to Newport on Sunday anticipating a hard game.

This, unfortunately, was not forthcoming as Altona City brushed aside their opponents in easy style.

Combining brilliantly, the relentless viking onslaught riddled the lethargic Newport defence.

The Altona defence never allowed the Newport forwards into the game. Attacks stemming from the centre breakaway were pleasing from Altona's point of view, as they have not been in vogue in past matches.

Little more can be said of the actual game, as it was all Altona.

In a very even team, players to show out that little bit more were:

FRANK BOYD who relished his role as ruck rover.

BILL DEVERAUX welcoming his return to the centre, gave his team a ton of drive.

STEPHEN GRAINGER played his heart out, roving tirelessly, he brought his team mates into the game on many occasions.

ENZO VALENTI played a top game at centre half-forward.

It was particularly pleasing to see Enzo gaining confidence in his marking.

STEPHEN STILES showed his usual dash on the wing.

IAN McLEOD fronting up for the second day in succession, showed no ill effects in producing another solid display of ruck work.

VIC PATERAS, also in his second game in two days, showed great liking for the opposite end of the ground, by notching eight goals at full-forward. Not bad for a full-back.

JOHN MALE started to hit his straps at centre half-back. PHILIP REID again dominated his wing and PETER WENLOCK is gradually producing his old form.

Goals: V. Pateras 8, S. Grainer 4, F. Boyd 3, E. Valenti 3, One each to W. Devereaux, I. McLeod, K. Flett, M. Oram, A. Walgers P. Reid, and T. Hogan.

Final scores:

ALTONA CITY 25.19 (169)
NEWPORT 5.6 (36).

In a fiery, spiteful, brawling game at Altona on Sunday the bruised and battered Vikings went down gallantly to a superior Brooklyn. Altona matched Brooklyn in the first half, but were worn down physically as the game progressed.

Brooklyn used intimidating tactics to great effect. This was borne out by the way some of City's players approached the game in the second half. One eye for the ball and one for the opposition.

Some had both for themselves.

This did not apply to all players but was very obvious in some.

Coach Geoff Ewen will have his hands full from now on in trying to mould his team into a premiership combine.

This can be done, and after the bruises heal, the boys will also realise that it will be done.

John Hampton was a courageous captain, throwing himself in amongst the flying boots, to come out with the ball on countless occasions.

Ken Payne was a tenacious half-back-flanker, never shirking the issue.

Terry Williams was a creative wingman being one of the few to maintain front position against his opponent **Alan Willett** and **Terry Maki** combined well on the half-forward line.

Jock O'Connor and **Ken Churchill** both roved admirably showing courage and tenacity. Of the ruckmen **Bob Culbert** was the most consistent.

Goals: T. Paone 2, A. Willett 2, one each to T. Maki, K. Churchill, J. O'Connor and T. Williams.

Final scores

BROOKLYN 18.16 (124)
ALTONA CITY 8.7 (55)

Congratulations to the under-16 side and the coach, not only for their magnificent victory, but also for the complete transformation in their approach to the game.

The conduct of the boys was beyond reproach, so full marks to them.

Altona City produced everything required of a premiership side. Applying, the play-on game to perfection, handball creatively, backing up and positive disposal intelligently.

Newport were no match for the New Altona City under-16's. **Gary Sorrell** was totally unbeatable at full-back.

Glen Knight a tower of strength in the ruck.

Wayne Jones a dasher on the half-forward flank.

Andrew Donnelly magnificent support in the ruck and brilliant in the forward pocket.

Tony Paone perfection at full-forward kicking ten goals to prove it.

Don Hyett lion hearted ruck rover.

Greg Clarke positive approach in attack or defence.

Glen Nicholls elusive damaging from the centre.

Goals: T. Paone 10, A. Donnelly 6, W. Jones 2, P. Mildenhall 2, D. Hyett 2, G. Knight 2, G. Rowe 1, G. Clarke 1.

Centrals down in rugged clash

Central Altona went down to West Newport in a rugged clash at Lofts Reserve on Saturday.

Scores were: Central Altona 15.13-103, West Newport 16.12-108.

West Newport bottled up Centrals and would not allow them to get their play-on game flowing.

It was hard to find a Centrals player who put in four good quarters.

A good omen for Centrals was the form of Greg Williams, who marked strongly at full-forward and kicked five goals.

Best: E. Szatkowski 2, J. Lott 2, G. Willian 5, R. Code 1, D. Kakosche.

Other goal scorers: R. Cole 2, A. Deans 1, W. Kennedy 1, E. Jepson 1.

B Division

In an excellent, tough and exciting game, Werribee Central downed Centrals by six points.

The game was played hard and fair, with both sides producing fluent and productive football.

Central's kicked with the breeze in the first quarter and quickly slammed on goals through Rex Cole, Kevin Gilchrist and Laurie Cook.

Werribee were not to be denied and booted 5-13 in the second term, completely dominating the quarter.

Centrals looked a tired and beaten side in the third term, as Werribee continued to play in front.

Several of Centrals' players were out of the game and found kicks hard to come by.

Werribee had opened up a 10 point lead coming into the last term with the use of what breeze there was.

Coach Murray Sayers exhorted his players to a final quarter effort.

And Centrals gave it to him.

Playing with the determination that had been lacking since the first quarter, Centrals battled forward to edge closer to Werribee.

Centrals got to within six points, then another shot went astray, making the difference five points.

The ball was battled back into Centrals goal square when the umpire decided on a bounce. Every player threw himself into the game when Werribee cleared and paced the ball downfield for a point.

The siren sounded with the final scores Werribee 11.23-89 to Centrals 11.17-83.

Best: K. Gilchrist 2, L. Cook 2, R. Cole 3, R. Delaney, B. Height.

Other goal scorers: M. Davies 1, A. Deans 1, M. Sayers 1, A. Evans 1.

MAMMOTH TENNIS SCORE

Altona's senior tennis team, in the mixed winter competition, played at Rosamond last Saturday and had such a convincing win that no other team has had so high a percentage after only the third round for at least five years.

The members of last Saturday's team, Geoff Wood, Rex Snowling, Ian Colling, Sue Keown, Bev Sandilands and Helen Shields have been playing tennis together since they were juniors and as long they do not lose concentration or dedication later on in the season, there is no reason why these players cannot being home a much overdue senior pennant.

The match was highlighted by a mixture of power serving and perfectly timed cross court shots from Altona players, which left the opposition floundering.

The annual club championships will start early next month and any player needing an entry form should contact Maxine Keown, Geoff Wood or Wayne Thomas. Unlike previous years, no verbal entries will be accepted.

A raffle is currently being run to aid the success of this years tournament and all those intereested are asked to support this effort. First prize is an electric blanket and second prize a camera.

Venues for this coming Sundays U-19 teams are as follows:

Section 1 v. Spotswood at home; section 2 have a bye; section 3 No. 1 v. Brooklyn at home; Section 3 No. 2 v. Kingsville away; Section 4 v. Spotswood away.
